From us to you...

February 2019

To the WRGN listening family,

It's been said "after the rain, comes the sun." Well, we experienced our fair share of rain in 2018 – nearly 2 feet above the yearly average – **so many of us are looking forward to some sun.** Unfortunately, January of 2019 has included a lot of rain, with more in the forecast for early February!

The other thing we look forward to in February is lots of talk about love. Hearts, chocolates, and cards will abound, but will we truly see love in action? Our friends over at Camp Orchard Hill in Dallas recently posted a picture on their social media I wanted to share with you. Beyond the smiling faces of their staff, I "love" what their Camp t-shirts say. "HOW CAN I SERVE YOU?" We are reminded in Galatians 5:13 that this is actually love in action! **This is what we are called to as believers.**

How many of us are living our lives this way? Are we following the example Jesus set? Mark 10:45 says *"For even the Son of Man came not to be served but to serve, and to give his life as a ransom for many."* **Are we sharing this Good News with those around us?**

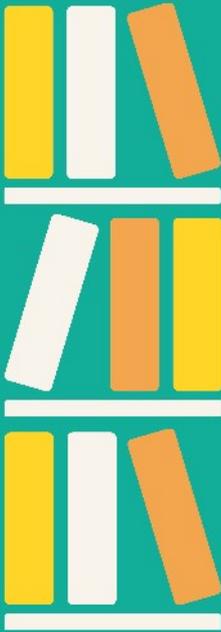

Opportunities to serve one another in love are all around, and we are thankful for those who serve here at WRGN and help make this listener supported station possible!

In His service for you,

Tim + Heather

Tim & Heather Madeira

...through love serve one another. Galatians 5:13

New at the Library

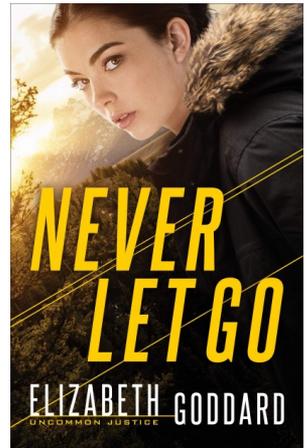

February - the month of love! Here at the Good News Library we have tons of resources for you to love! You'll love our two authors of the month Gloria Furman and Jen Wilkin as they help women in their studying and understanding of God's Word. We have an entire display of books on loving one another through different types of relationships: for the husband and wife; those who are dating; friendships and even the parent-child relationship. Parenting with Loving Correction: Practical Help for Raising Young Children is the latest book from Sam Crabtree. Parenting can be a challenge. This book aims to help you better understand loving correction through clear steps and practical tips aimed at transforming not only your children's behavior but also their hearts. Rooted in three principles, this is a guide to consistent, faithful discipline that mirrors the grace-giving, truth-speaking God of the Bible and sets the tone for a loving, joy-filled home.

For our fiction lovers, ***Never Let Go*** is Elizabeth Goddard's first book in her Uncommon Justice series. As a forensic genealogist, Willow Anderson is following in her late grandfather's footsteps in her quest for answers about a baby abducted from the hospital more than twenty years ago. The case may be cold, but things are about to heat up when someone makes an attempt on her life to keep her from discovering the truth. Austin McKade readily offers his help to protect the woman he never should have let get away. Together they'll follow where the clues lead them, even if it means Austin must face the past he's spent much of his life trying to forget, even if it puts Willow's tender heart at risk.

Our winter reading challenge for kids continues this month! For every book a child reads, they get to add their name to a snowflake and decorate the library! A winner will be chosen at the end of February. Bring your children or grandchildren to the library this month and help them learn to love to read!

Sam Rohrer, president of the Pennsylvania Pastors' Network, stopped by the studios for a visit with General Manager Tim Madeira. Rohrer, a former radio GM himself, offered words of encouragement to the staff concerning the ministry.

Sisters Ellie and Aliyah Brubaker were the winners of our recent Kids Reading Challenge at the Good News Library. They each chose an audio CD for their reward for how many books they read from the library over the course of three months!

Shining the Light!

We're thankful for WRGN Volunteer extraordinaire Don Sorber along with his grandson, Ethan, who installed a new light on the WRGN studios for our Tuesday evening library visitors! Don also installed two new lights in the basement for our mailing volunteers. Thank you so much for your hard work!
