Happy New Year!

Jonathan Broscius & Tim Madeira, Co-Hosts of “Wake Up Right”

A New Year and a new program...or at least a new voice on an old program...with a new name!

As we’re sure you have heard, Tim Madeira has joined Jonathan Broscius on the morning drive program, and it’s taken on a new moniker.

Our goal is to help you “Wake Up Right.” Whether you are an early riser or roll out of bed at 8:30, we want to help you get up on the right side of the bed.

Join Jonathan and Tim every weekday morning on

WRGN from 6:00 a.m. to 9:00 a.m. for some music, some talk, some news, some trivia, some laughs and something from God’s Word to get your day started right.

We’ve also sprinkled in some short programs to keep you up to date with what’s going on in the world, and a few to encourage you as you head off to work or start your day around the house.

You can find out more about those programs inside this edition of the Radiogram!

From us to you...

January 2013

To the WRGN listening family,

2013. I'm still getting used to it, are you? For some reason, even though it's just a new number on the calendar, somehow it can either excite us or strike fear in us!

My prayer for you, no matter what you are facing in the New Year, is that you will face it with hope, joy and peace. Not a false hope in something or someone who may not be able to be trusted, but a true and living hope that can only come from God. *"...In His great mercy He has given us **new birth** into a **living hope** through the resurrection of Jesus Christ from the dead."* 1 Peter 1:3

I hope that you too, will pray for us as we share that living hope to our listening area. Every day we have opportunities to minister in some way or another to someone who calls, writes or drops by the station. We also try to take every opportunity to get out and minister in churches and encourage pastors in their ministries.

We are relying on the Holy Spirit to guide and direct as we make ourselves available for His use. **Pray that we will accomplish what God directs us to do in this year,** and that we will, through the broadcasting, continue to "stir you up" through His word to love and good works! (Hebrews 10:24)

Abounding in hope,

Tim & Heather Madeira

P.S. May the God of hope fill you with all joy and peace in believing, so that by the power of the Holy Spirit you may abound in hope.

New at the Library

Happy New Year from the Good News Library! The new year is a great time to start a new Bible study and daily devotions.

The Bible Study Handbook is a comprehensive guide to an essential practice. Bibles aren't hard to find - they're all over the place: in your home, the drawers at hospitals and hotel rooms, your local library and bookstore and online in digital format. But once you have one in your possession, then what? The ***Bible Study Handbook*** lays a foundation for why we read the Bible and what methods and practices yield the most fruit.

Adventures in Odyssey has a new book, ***90 Devotions for Kids***. Kids will enjoy joining Whit, Connie, Eugene, Wooton and their other friends from Odyssey as they discover tried and true biblical truths like salvation, prayer, and forgiveness (and many others) that form the core values of Christianity. Through each daily devotion kids will be informed and challenged to grow in their walk with God.

Speaker and author Kathy Lipp has a new book ***21 Ways to Connect with Your Kids***. As parents we spend a great deal of time making sure our kids are getting good grades, completing their daily chores, keeping their rooms clean - but are we really connecting with them? This handy guide gives parents a straightforward, workable plan to create new ways of bonding with their kids based on their unique personalities by doing one simple thing each day for 21 days: ideas such as planning a family fun night; writing a love note to their

child; providing a special treat just for them or working together on a family project. This book will give you the tools and the confidence you need to connect with your kids even in the minds of a busy schedule.

The Breakthrough is a Precinct 11 novel by Jerry B. Jenkins. Jenkins has moved from end times to crime times as he follows the youngest bureau chief in Chicago Police Department history. He has a new family and a great relationship with God, but Boone can't fight the feeling that something is about to go wrong...again. Disaster strikes and a tragedy threatens those closest to him. When family's safety is at stake, Boone is forced to make a difficult choice: stay with his wife who desperately needs him or pursue a human trafficking ring in China. The stakes have never been higher and time is running out.

Wild Grace is a book written by Max Lucado and adapted for teens by James Lund. Best-selling author Max Lucado offers a close look at God's answer for the confusion of life - grace. Grace comes after you. Grace can change your life in powerful ways, even when that life is messed up, off track or in trouble. By reading this book, teens can discover what this grace is all about and how it has changed the lives of other teens and how it can work in them and through them.

Make a New Year's resolution to visit the Good News Library, open weekdays 9:00-4:30. All of the resources can be searched online at wrng.com.
