The weather may still be warm, but school is back in session, which means that See You At The Pole is right around the corner! WRGN will once again host **See You At The Pole LIVE** on Wednesday, September 26 at 7:00 am. Listen on your radio or online at [wrgn.com](http://wrgn.com) to hear directly from students at area schools as they share their hearts and what they are praying for God to do in their schools this year.

Tim Madeira & Doug Hamilton will be talking to students from across NEPA, as well as from our sister station, WIVH, in the US Virgin Islands. High school and college students who are participating can let us know by filling out a simple contact form which can be accessed with the QR code, or at [wrgn.com](http://wrgn.com)!

WRGN will once again have the pleasure of hosting a homeschool group at the flagpole right in front of the WRGN studios.

At the same time, all around the globe, in every time zone, students will be gathering at their flagpoles, praying for their schools, friends, families, churches, and communities. **See You At The Pole** is a day committed to global unity in Christ and prayer for your generation.

SYATP is more than an event, though, it's a part of **The Global Week of Student Prayer** (Sunday, September 23 through Saturday, September 29) which encourages students to find new and unique ways, places, and times to pray throughout the week. Start the school year with **See You At The Pole LIVE!**

September 2018

To the WRGN listening family,

I am excited! The end of this month means the start of my favorite season, autumn! My wife on the other hand, would not mind if summer continued right on through spring. However, we cannot stop the hands of time—not that most of us would want too, even if we could. **The seasons serve a purpose, just as the seasons of our lives serve a purpose.**

We are coming into a time of harvest here in Northeastern Pennsylvania, and **I pray the harvest will be more than just a harvest of food, but a harvest of souls!** Galatians 6:9 says *"and let us not grow weary of doing good for in due season we will reap if we do not give up."*

This edition of the RadioGram contains many events that are coming to the area, giving you the opportunity to invite those who do not have a personal relationship with Jesus to come to an event where they will hear the gospel. **WRGN is happy to partner with many local and national ministries in the spreading of the Good News!**

We are blessed, too, as you partner with us to make the daily broadcast possible here on WRGN. While Share-A-Thon is still nearly two months away, **we ask that you begin now to pray about how God would have you partner with WRGN in reaching out in the coming year.**

Not giving up,

Tim & Heather Madeira

*"And he said to them, "The harvest is plentiful, but the laborers are few. Therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest." Luke 10:2 (ESV)*

The signs of fall are everywhere! The leaves are beginning to lose their green hue that gives way to fall colors and walk into any grocery store throughout our listening area and you'll be greeted with scents of cinnamon and visions of pumpkin *everything!*

With students back in the classroom, we're looking forward to hosting the **Columbus Day Skate** at Skateaway in Wilkes-Barre on Columbus Day, Monday, October 8! Grab your family, your neighbors, your fellow students, coworkers, and friends from church and join us for a night of skating to great Christian music!

Let's not forget all of the concerts that are coming to our area! We're so excited that we will be able to meet many of our listeners at these events including Ryan Stevenson, Casting Crowns, Danny Gokey, Tauren Wells, Riley Clemmons, the Newsboys, Jordan Feliz, and Brother! Be sure to visit the WRGN booth and introduce yourself to the staff!

The **Good News Library** has exciting news for the fall! We've added evening hours every Tuesday until 7pm. Many homeschooled students have begun to visit the library to work on school projects. We have fiction and non-fiction books for all ages and the library is a great resource for any student! Annual

memberships are just a \$5 donation! Visit the library weekdays 9 am - 4:30 pm and Tuesdays until 7pm.

The staff of WRGN recently held their planning meeting for our upcoming Share-a-Thon which will be held November 7, 8, and 9. This is the one time a year we preempt our regular programming to present the needs of the station to our listeners. WRGN is a non-commercial, listener supported radio ministry and it is through the generous gifts of our listeners that we are able to broadcast to Northeastern PA and the Lehigh Valley.

Our general manager, Tim Madeira, has enjoyed speaking at several different locations recently. He shared about the ministry of WRGN at Slocum Chapel, led the devotional message for the kick-off for a Men's Ministry at Back Mountain Harvest Assembly, and shared the Word at Second Welsh Congregational Church in Wilkes-Barre. If you would like Tim to share about the ministry of WRGN with your Sunday School class, small group, or civic group, please call the WRGN studios at 800-245-3688.

Some of us at the WRGN studios are digging in our heels and wishing that summer wasn't over just yet, but we suppose the best way is to just embrace this new season and enjoy His abundant life like it says in John 10:10! Happy Fall!

# New at the Library

Have you heard the exciting news? Beginning in September, the Good News Library will have evening hours EVERY TUESDAY! In addition to our regular weekday hours (9 am – 4:30 pm) **the library will be open until 7 pm on Tuesdays.** These expanded hours will provide an excellent opportunity for families who want to visit the library after school or work. We hope this helps make the over 15,000 resources at the Good

News Library more accessible and available for you. There are so many exciting things happening at the library this fall—a reading challenge for kids, some reorganization of the shelves, and a few other things we can't mention just yet—but we think these evening hours top the list!

This month's featured author is **Warren Wiersbe**, a pastor, Bible teacher, conference speaker, and a prolific writer of Christian literature and theological works. Wiersbe pastored Chicago's Moody Church and taught practical theology classes at Trinity Evangelical Divinity School. He has been writing books since the 1950s, completing more than 150 books. He is perhaps best known for his series of 50 books in the "BE" series of commentaries on every book of the Bible, including titles like *Be Real*, *Be Rich*, *Be Obedient*, and *Be Joyful*. The "BE" series alone has sold over four million copies! Wiersbe is one of our most popular "octogenarians" at the Good News Library, and we have a special display of many of Wiersbe's titles for you to discover this September.

back to  
school

As always, a new month brings a new theme! September's is **Back to School!** September is an exciting month of change, growth, and new beginnings as children (and their parents!) get back into the routine of schoolwork and school activities. The Good News Library wants to celebrate with and support you this month! To do that, we will have

books for our youngest readers to calm their fears about back to school time, books for our middle readers to help them accomplish their reading goals, and books for older kids to help with research papers and projects. There is something for everyone on our Back to School display this September.

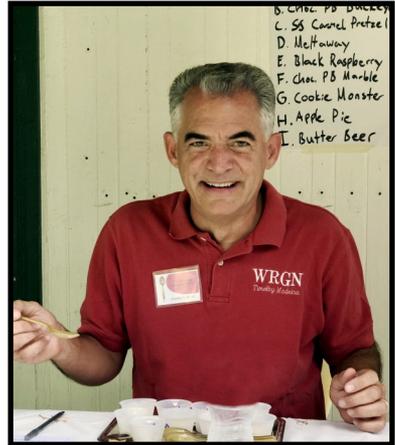

Additionally, if you are looking for something specific (or you're not sure where to begin on your search for what you need) we encourage you to **email our volunteer librarian, Terry Perrine, at [library@wrng.com](mailto:library@wrng.com)**. You will get a quick response to point you in the right direction. She will also be at the library during our new Tuesday evening hours! We look forward to seeing you this fall!

# Pathways Walk

Kathy Leamont stopped by to share about Pathways Unplanned Pregnancy Help Center's upcoming Walk for Life on Thursday September 13 at the Wilkes-Barre Wyoming Valley Airport in Forty Fort. Their event begins at 5 pm and includes the Walk for Life, vendors, face painting, dessert contests, and pumpkin painting. For more details visit [facebook.com/pathways2hope](https://facebook.com/pathways2hope).

# Patterson Grove

Tim Madeira was invited to participate in Patterson Grove's 150th Anniversary Celebration as a celebrity judge for their Golden Scoop Ice Cream contest! Special music was provided by Carousel Melodies, a band organ made by Burl Updyke, WRGN's founder. WRGN's mascot, Sparky the Radio Dog tagged along and enjoyed meeting everyone at the event - he also enjoyed tasting the ice cream!
